Compact GR400 Glass door refrigerator

Item number: 944010320

Compact GR400 is an energy efficient, durable, and reliable glass door refrigerator in white painted steel, built for frequent door openings and high demands for temperature stability.

WORK ENVIRONMENT, EASY CLEANING AND EFFICIENT USE

The cabinet is equipped with a right-hand glass door with lock, self-closing, and an integrated handle in the full height of the door. It is constructed with rounded corners and the door has a removable sealing strip for easy and efficient cleaning.

SUSTAINABILITY

Besides being energy efficient and thus having low operational costs, the refrigerator is produced locally in Denmark with focus on minimizing the impact of the environment, social responsibility and with energy from renewable energy sources.

SECURITY

The refrigerator comes with up to 5 years warranty. It has a ventilated cooling system, which ensures good temperature stability and air distribution, and that the temperature is quickly restored after door openings.
