

Skanos Stackmaster MKII Plating Trolley Specification Sheet

The Australian designed and manufactured Stackmaster MKII Plate Trolley is a super versatile solution for holding pre-garnished plates of all sizes. Manoeuvring is easy in a tight busy kitchen thanks to a heavy-duty stainless-steel Z-shaped base, easy grip T-bar handle and four all-swivelling stainless yoked polycarbonate castors. Holding 70 plates with 80mm shelf space, the Stackmaster MKII allows plenty of clearance for pre-plating of main meals, cheese plates, gateaux and more.
